

IRRESISTIBLE

WEEK TWO: AN IRRESISTIBLE CHURCH FOR OUR NEIGHBORS

1. How has the “bystander effect” affected you?
2. It’s easy for us to fall into being a bystander in other people’s lives and faith, why do you think that is?
3. Has anyone stepped out of being a bystander of faith for you? If so, share how they did that. Is there someone you can do that for?
4. In John chapter 4 we see that woman at the well met Jesus and then invited others to come and see Him. She didn’t have all the answers, just knew Him. How can our group invite others to come and see Jesus? How can experiences Anthem creates be a part of that?
5. Jesus saw the woman and saw more than her current circumstances, He saw her whole life and spoke truth to her in love. That was irresistible. She then went to tell others. How can our group do a more focused job on not being bystanders in others lives?
