COMPASSION

Project Home: In the past, we have served meals (lunch or dinner) on weekends at Project Home (a shelter for families experiencing homelessness) in St. Paul. If this is of interest to you, please email Deena Strohman at stro0410@umn.edu, so she can choose a date/time that is convenient for those who want to serve.

Summer Produce!: Every Meal, through which CUMC volunteers distribute food to backpacks at Edgerton Elementary during the school year, has a summer Grow and Give Program. Fruits, veggies and herbs from your garden can be dropped off every Monday and Tuesday from 9 am – 12 pm at their Roseville warehouse, 2723 Patton Road, Roseville. All produce collected will be packed and distributed to local Head Starts for kiddos to have fresh and yummy produce to munch on over the summer.

Faithful Hospitality - Thanks and More Opportunities: Thank you to those of you who helped in many ways at Faithful Hospitality in July. We have a new opportunity to serve as overnight hosts at St. Anthony Park Lutheran Church in August. Shifts are from 7pm to 7am on weeknights and 7pm to 8am on weekends. For more information, please contact Deena Strohman at stro0410@umn.edu.

Bless this Mess: July 14 - August 11

This series will be an invitation to examine what is getting in the way when it comes to our lives of faith? What are we holding onto that needs to be let go? What clutters our lives? What is behind the clutter? Jesus entered into our messy world and our messy lives to bring about restoration. We will be looking at Jesus' interactions to see how he helped people understand the heart of what he's come to do and bring about.

Preaching this week: Pastor Whitney Sheridan
