Activity

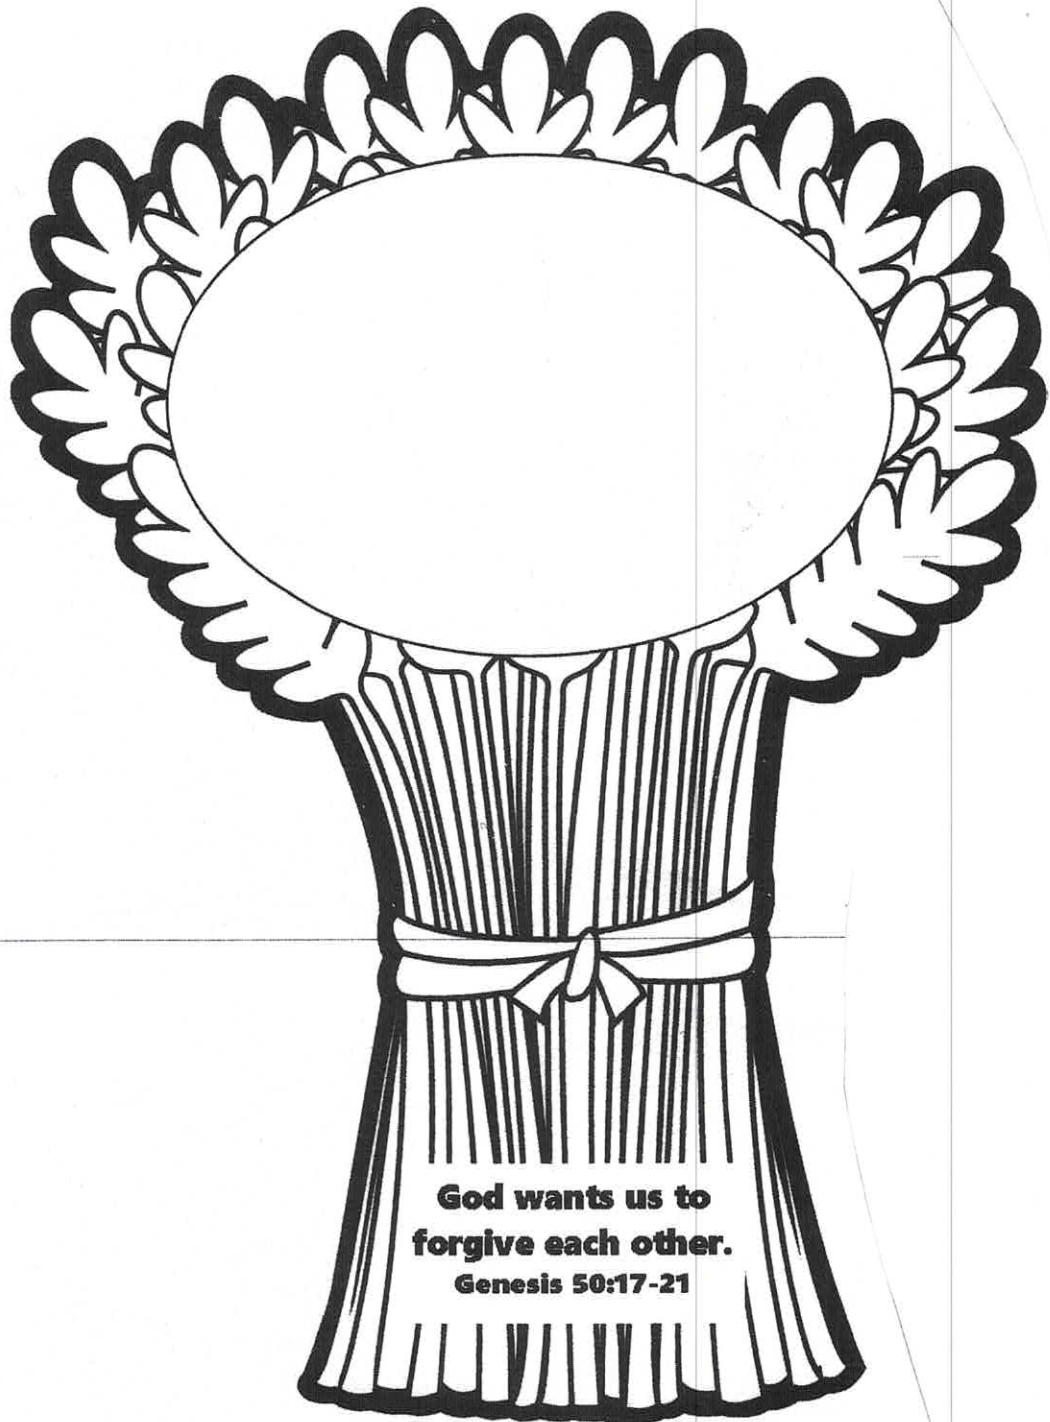

Gather items you would take on a trip and put them in a pile on one end of a room. Give each person a bag and have everyone stand on the opposite end of the room. The first person to pack 5 items in their bag wins.

Talk about how Jacob sent Joseph's brothers on a trip to get food during the famine.

Craft

A great famine came, just as Joseph predicted from Pharaoh's dream. Joseph forgave his brothers and showed them kindness. God is always faithful to those who love and obey Him with all their heart, soul, and mind.
