FAMILY

Activity

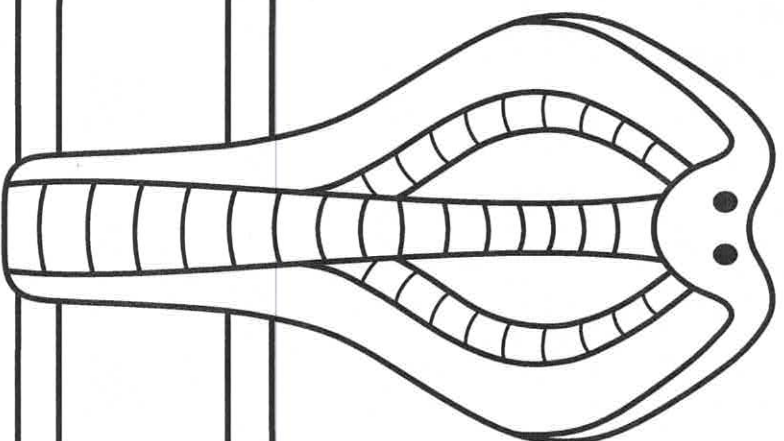

Gather the ingredients to make lemonade. Ask if they have ever heard the phrase, "When life gives you lemons, make lemonade."

Talk about how lemons are pretty sour, but if you squeeze the lemon juice into water and sugar you can make yummy lemonade. Just like we have seen with Joseph bad things can happen in life, but God can turn those bad things into something good!

Craft

Even though bad things were happening to Joseph, God used him to help Pharaoh understand his dreams. God will bring good things out of bad circumstances in your life when you trust in Him.

Egyptian Headband

Three sets of horizontal lines for writing or drawing, each set consisting of three parallel lines.
