FAMILY

Activity

Use our Thanksgiving gratitude game to sit down as a family and talk about how God has blessed you and your family. All you need is the gratitude game printable and a bag of M&M's. Pass out the same number of M&M's to each person. Use the printable as a guide to talk about what you are grateful for.

(e.g. Two red m&m's = two people you are grateful for.)

Craft

God wants us to always give thanks for everything! Make a pumpkin pie thankful wheel to help you remember what you are thankful for!

- **Cut a pie slice out of the painted paper plate.**
- **Place the pumpkin pie on top of the words plate and use the fastener to keep them together.**
- **Use the letter stickers, on the pumpkin pie, to spell out "I am thankful for."**
