FAMILY

Activity

Gather everyone in the family and explain that they will play a game in which they try to quickly find a hidden object. Show the object and then choose one player to hide it in the room while the rest of the players wait in the hall or a corner with eyes closed and backs to the room. Once the object is hidden allow players to search for the object. Whoever finds it first shouts "spot it. " Talk about how Abraham's servant asked for God's help in "spotting" a wife for Isaac.
