FAMILY

Activity

Read aloud step by step instructions to draw something. Give everyone paper and pencils to follow along. Afterward, see if anyone's drawing looks like what you were imagining.

Suggested instructions:

Draw a large circle. Above that circle, draw a smaller circle. Above that circle, draw an even smaller circle. Draw a triangle and two dots in the smallest circle. Draw a curved line under the triangle. Does it look like a snowman?

Talk about how sometimes following instructions can seem hard when you don't know the end goal. Paul and Barnabas obeyed God even when they didn't know exactly where He would lead them next.
