### Community Group Questions:

1. In what specific ways did God speak to you personally through the sermon and biblical text this week?
2. What gifts, abilities, and experiences has God given you that you can use to build up the church?
3. Pastor Justin mentioned that a healthy church is one of the overlooked avenues of personal sanctification. How will individually serving for good of the whole, actually serve each person individually?
4. What unanswered questions do you have about the role of members in the life of a local church?
