

# SERMON NOTES

## Community Group Questions

1. What does it mean that God provides us with newness?
2. What new piece of information or skill are you working to master right now? (It could be a subject in school, a new concept at work, a new app on your phone, a new cooking technique.)
3. Choose one or two people to brainstorm something they know a lot about (it can be almost anything), and have them try to explain it to the group in a way that an eight-year-old would understand. Compare this exercise to God providing us a way to learn about him.
4. What is the trickiest owner's manual or user's manual you've ever needed to use? What made it so difficult?
5. Pick a biblical teaching and practice explaining it in simple words that an eight-year-old could understand.
