

Where did

1. What was the last worship song you heard? When and where did you hear it? Did you find yourself fully engaged in worship? Why do you think that was?
2. How did you learn to worship? For you to worship, what bare minimum needs to be present? Do you think some preferences you may have in worship might not be biblically necessary?
3. Read Nehemiah 8:9–18. Describe the behavior of those who were worshipping. Why do you sense they responded the way they did?
4. Can you think of a time when you felt compelled by God to just worship in a way that was out of the ordinary for you? How did you respond? How can this passage today help you to worship God fully?
