

What's In Session? May 2023 Report

The session met on May 22, 2023. As always, we reviewed attendance trends. We prayed for those who are sick. We celebrated new members and baptisms.

Our guest speaker was Hannah Vaughn, SACPC's liaison to the Presbytery of Coastal Carolina's Eastern Committee on Ministry. Rev. Vaughn spoke on the connectional nature of the Presbyterian church and our collective responsibility to maintain relationships.

At each session meeting, an elder gives their personal witness and devotion in order for us to get to know each other's spiritual journey. The elder that offered the devotion in the month of May was Nancy Trout.

A team is working hard to prepare for the June 10th Presbytery of Coastal Carolina meeting. This meeting will be hosted by SACPC, and our elected delegates will be Eddie Stuart and Hugh Caison. Session approved a motion to begin the design phase for our HVAC. Once we have the design and know the full scope of the project, we can begin the bidding process for purchase and installation. The design is expected to be completed in about 2-3 months with the bid process beginning in the fall.

Lastly, please welcome our two newest staff members: Kristy Frazier, Administrative Assistant to Katie Harrington, and John Henderson, summer Intern. John is attending Davidson College and will be at SACPC from May 28th-August 13th. Thanks be to God!

The next session meeting is scheduled for June 26, 2023, at 6:30 pm.
