

# What's In Session?

## November 2025 Report

Rev. Harrington called the meeting to order and called on Jim Benson, who offered a devotion and opened the meeting with prayer.

**Safety and security:** The Session supports the staff in launching a task force to evaluate safety and security at SACPC. The effort will involve researching best practices and creating/updating relevant policies and procedures. The task force will fall under the Building and Grounds Committee.

**Ends update:** Elders held an annual retreat in September and evaluated the SACPC's "ends," or guiding principles of our church, and reflected on updates to the ends. As a follow-up to this discussion, the session approved the creation of a task force to continue this work. The task force will bring a recommendation to the Session for future action.

**HVAC project update:** Jim Benson shared the crawlspace of the sanctuary has been encapsulated, most of the equipment is in place downstairs and the work is on schedule.

**New officers:** December's Session meeting will include examination of new officers. Installation and ordination of new officers will occur at both worship services on January 11, 2026.

### **Katie Harrington reported:**

- For a stewardship update, the church has received 135 pledge cards though we are anticipating more to come in.
- Finance is working to showcase information about capital campaign in Saint's Alive, in addition to the operating campaign.
- The Advent pancake and craft night went well, thanks to the fellowship, children and youth ministries for their involvement.
- A reminder to take note of and welcome visitors during the Advent season.

Rev. Harrington adjourned the meeting with prayer.
