What's In Session?

November 2026 Report

Rev. Harrington called the meeting to order and called on Steve Miller, who offered a devotion and opened the meeting with prayer.

Officer Ordination and Installation: Scheduled for January 10, 2027, at both worship services.

2027 Budget: Finance Chair Rosalind Barker provided an overview of the asking budget for 2027, which will be brought to the December meeting for consideration.

2027 Committees: At October's meeting, the Session approved a reconfiguration of standing Session committees beginning in 2027. To prepare for the new structure, session members divided up into committee groups to begin the work to form or reimagine the committees.

Katie Harrington report: Rev. Harrington shared:

- A prayer request for our staff – we are down multiple staff members and the staff is stretched thin but are pitching in to do new duties and it's already a busy time of year for the church. Interviews are underway for the director of children and youth and communications director positions.
- Stewardship appears to be on track and is similar to this time last year.
- Nov. 29 is the first Sunday of Advent. Music Sunday is Dec. 13.

Rev. Harrington accepted prayer requests and adjourned the meeting with prayer.
