

“What’s In Session”

October 2022 Report

Your Session met for our monthly Called Session Meeting on October 24th. This meeting was the first business-only meeting since July; we had our Session Retreat in August and then our September meeting with Emily Swanson from Holy Cow Consulting. The August and September meetings have helped shape the way Session does its business. Our primary role is to establish plans to move St. Andrews-Covenant Presbyterian Church towards our Vision of a “Committed and healthy family of believers raising up disciples that serve and impact our community and beyond” and Mission of “Inspiring one another to love Jesus by staying faithfully present in our community.”

Session has met with the Diaconate and our Staff to begin the process of developing these plans that will help us fulfill our Mission and will move us toward our Vision. Our plan will draw us closer to God, will strengthen SACPC, and is based in Biblical unity. By living our values on a daily basis we will walk the path toward being better Christians. We look forward to presenting some of our visions at the November 20th worship services.

Of course our meetings still incorporate the necessary work of approving communion, changes in worship, congregational meetings and updating the membership rolls. We also work in our specific committees on matters related to Human Resources, Finance, Planning, Governance & Training and Congregational Engagement (which includes keeping the congregation updated on Session matters, Membership Rolls, Stewardship, Annual Report, Diaconate Liaison and Preschool Liaison).

Session will meet again on November 28th. You are welcome to join us! As always, if you have questions or concerns, please send correspondence to session@sacpc.org.
