Guarding the Heritage

“The younger generation needs the older generation to help them identify the voice of God, just as Samuel needed Eli to help him know God was calling him. ... [This] requires that we recognize, as Eli did, that God is speaking to the younger generation.”

–Jack Hayford

Reflection

Who is younger than you (by age or in the faith)
and within your sphere of influence?

How can we pray for rather than worry over the
younger generation of the Church?
