

Earth

Made New

God's design is a perfect
earth in which to dwell
forever with righteous
humanity.

“Each of the things that have been made fulfills its own particular purpose in creation... Not a single one of these things is without worth, not a single thing has been created without a reason... [R]ecognize greatness even in small things, adding continually to your wonder and causing your love for the Creator to grow.”

Basil of Caesarea

(330-379)
