#### Family Check-up:

What is God teaching you in your quiet time?

Who have you had the privilege of reaching out to this week?

**Intro:** What does it mean to make Jesus Lord? What areas of your life does Jesus want? Jesus talks more about money than almost anything else in the New Testament and maybe that's because Jesus had something bigger in mind. Jesus wants you, the whole of you.

**Read:** Read Romans 14:1-8

1. If being a disciple of Jesus is bringing every aspect of your life under the Lordship of Jesus, then what areas of discipleship have you found easier and what areas have you struggled with?
2. What do you think it is about money that caused Jesus to talk about it so much?
3. What gifts has the Father given you that you're holding onto and a little unsure of exactly how to get the most out of them? What would it look like to you for the Father to come down to show you some of the best parts of those gifts?
4. Read Deuteronomy 8:10-18. What mindset does God desire for us to have around our possessions?
5. Realizing that asking about purpose may be a sensitive topic for some, spend some time with your group affirming what you see in some of your other group members.

**Pray:** Ask God what areas of your life you still need to make him Lord. Pray that the Spirit would do more than reveal, but would also empower your group to lift Jesus up as King.
