Week of: February 28-March 6, 2021

Text: Acts 1:14

GETTING STARTED:

What was your favorite thing about seeing the new addition on the TMC campus? Did you take a tour or see it for the first time Sunday?

DIGGING IN: Read Acts 1:1-14

1. Why would Luke describe Jesus' entire ministry on earth as only what "Jesus began to do and teach?" (v:1)
2. Read v:4. Jesus told His followers "not to leave Jerusalem" and to "wait."
 - a. After watching Jesus ascend into heaven, how hard would it be to just wait?
 - b. Speculate as to what they expected to happen next.
3. Read v:9-11. What intrigues you most about this account of Jesus' ascension back into heaven?

DIGGING DEEPER:

1. When you think of waiting on God, what comes to mind?
2. How hard is it for you to wait on God, or do you?
3. If the church is "the continuation of Jesus" what does that look for us as followers of Jesus in 2021?
4. How do you think this additional space can impact the future of Ten Mile Christian in our community?
5. What idea do you have to "continue Jesus" in your little corner of the world?

PRAYER SUGGESTION:

Give glory to God rather than ourselves for the completion of this addition and surrender this facility anew for His use.
