

# Guest Speaker: Bill Greer

## President of Milligan University

### GROUP FOCUS QUESTIONS

Week of: June 13-19, 2021

Text: Romans 12:1-2, Acts 28:28-30

### GETTING STARTED:

Approximately how many students attended the school where you first were enrolled, and was it a rural, suburban or urban school?

### DIGGING IN:

1. Read Romans 12:1-2. Analyze these two verses:
  - a. Describe what you believe "conformation to this world" is.
  - b. Conversely, what do you think Paul had in mind when he called us to "be transformed by a renewed mind?"
2. What is the relationship between education and a transformed mind, if any?
3. Read Acts 20:28-30. How relevant is this section of Scripture to your world?

### DIGGING DEEPER:

1. Dr. Greer shared this quote: "The purpose of education is to create within students a truer view of life, with a larger soul with broader and more correct ideas of man, nature and God."
  - a. What is your response to that quote?
  - b. How does one increase the size of her/his soul?
2. What suggestion do you have for the church in a world where the morality taught in Scripture is increasingly disregarded?
3. How are you handling the pressures that come your way to "conform to world?"
4. Fill in the blank: I know that I am a living and holy sacrifice to God when I \_\_\_\_\_.

### PRAYER SUGGESTION:

"Dear God, I want to remain in the world, but not be of the world."
