Luke 4:14-19 – Jesus reading from the scroll of Isaiah

**The Gospel is both saving us FROM Something but also saving us TO something.**

We see this interplay in our church rhythms:

- Dying: The Christ-Centered Life
- Living: The Spirit-Filled Life

The ultimate bait and switch in the church is that we tell people they are saved by faith, then preach every message as if it all depends on them.

Mark 10:45  
John 13:12-17

Phil 2:3-8 – Jesus didn't show up leveraging His deity for His own advantage.

κένωσις (*kenosis*). He emptied himself.

**When we surrender as servants, we give total access to the Holy Spirit and Jesus shows up.**

Total Surrender is giving God 100% of me 100% of the time

"The greatness of a man's power is the measure of his surrender." (William Booth)

## QUESTIONS

1. In what ways do you catch yourself leveraging your advantage for a better YOU-life?
2. What are the biggest barriers to you serving at Grace Chapel?
3. What does/would it look like if you gave Jesus 100% access to all of your life (work, gym, sports, clubs, school, etc)
