“Training the body has some value. But being godly has value in every way. It promises help for the life you are now living and the life to come.”

THINK

If you play a sport, you know that it's important to train. That is: to prepare, strengthen your body, and practice. While training and exercise are good for our bodies, something even better is training in godliness. We can do this by reading our Bibles, praying, and practicing the ways of Jesus.

ANSWER

What are some things you can do to train in godliness? Just as you would practice to get better at a sport or an instrument, what kind of practice can you do to get closer to Jesus? Write or draw your answer in the box...

PRAY

Jesus, thank you for showing me how to be a godly person by giving us Your Word. I pray that You would continue to give me show me new ways to get closer to You and that our relationship would go deeper. Amen.
