Sometimes new is inspired  
Sometimes new is desired  
Sometimes new is required  
Sometimes new is transpired

When what is KNOWN becomes more valuable than what is NEXT we  
will never experience what is NEW

When the comfort of the KNOWN is greater than the challenge of the  
NEXT we will never experience the NEW

Uncertainty Seeks Knowledge  
Mystery Seeks Revelation

Daniel 2:47

Uncertainty is met with anxiety  
Mystery is met with anticipation

Mystery is about the depths of God  
Uncertainty is about the depth of Ignorance

How do you deal with new? Does it overwhelm you or excite you?

What is something new God is doing inside of you? Is this comfortable  
for?
