- 2.
3. What is the problem with a church governed by principles by not power? Is there a problem with a church being governed by power by not principles?
4. Mike said, “One person armed with the power of the Spirit is enough to change the world!”
  - a. Do you agree or disagree? Why or why not?
  - b. If it is true, what does that mean for your life?
  - c. If it is true, what does that mean for our church?
5. What are you excited about with the building initiative? Do you have any questions?

[Leaders: It would be really helpful if you could take time to gather the questions people have about the building process and send them to me: [scotty@gracechapelonline.org](mailto:scotty@gracechapelonline.org)]

## PRAYER & UPDATES

This week we'd love you to take time to pray for **favor** and **finalization** with the lingering processing!

- **Pray for finalization of the written parking agreement.** We have the written agreement. We are awaiting the final signatures.
- **Pray for favor and finalization with the lending process.** Petition God for breakthrough! And pray for us to grow in trust and dependence in the process.
- **Pray for God to move our church to give generously.** Next week is pledge Sunday. This is a chance for new members to join us in the initiative, as well as an opportunity for current givers to increase pledges. Take time to ask God if he wants you to make any changes to your current participation.
