QUESTIONS

1. What resources/methods did God make use of to lead you to Jesus? As you each share, are their common themes in the ways/resources God used?
2. How might your life be/look different if you lived willing to do “whatever it takes” to see the people around you come to Jesus?
3. Is there someone in your life you've been praying would come to know Jesus? Take time to share their name and pray together for God to remove the veil from their eyes.
