## TREASURE = HEART = HABITS = LIFE

Luke 4:5-7; Matt 6:24 (TPT)

WORSHIP = Worth-ship: we are ascribing worth to the object that has captivated our soul.

Your wealth always leads your worship

### 1. Idols to Alters:

Lev 6:12; 9:24; 2 Chron 7:1; 1 Kgs 18:38; Heb 13:16; Phil 4:18

- “God loves to send his fire on the altar of our sacrifice”
- Altars Alter

### 2. Fear to Faith:

1 Tim 6:17; Matt 6:33; 2 Cor 9:7 TPT

- Tithing is about trusting... Tithing is about testing
- God puts boundaries around our money so it stays a blessing

### 3. Bondage to Freedom:

Prov 22:7; Deut 28:12-13, 44; 1 Tim 6:6-8

### 4. Ownership to Stewardship:

Luke 16:11; Matt 13:44; 1 Pt 4:10;

### 5. Comfort to Compassion:

Prov 19:17

“Don’t hire other people to be your compassion”

### 6. Scarcity to Abundance:

Phil 4:19

### 7. Hoarding to Generosity

Deut 15:10; Exod 36:3-7

- Selfishness attacks you before generosity but grief attacks you after generosity
- Generosity is more about identity than prosperity

### Prayer of Financial Freedom:

*Lord I pray for financial freedom and deliverance from debt. May you fill our hearts with faith, contentment and hope. In Jesus name we break the bondage of debt and pray for a future of radical generosity for your glory.*

### Corporate Prayer of Generosity:

*Lord align our hearts with your heart of generosity. Fill us with your Spirit to live a life of radical faith that leads to radical giving. As we open our hands with our money we also open our hearts with gratitude and praise. May you send your consuming fire on our offerings of sacrifice and fill our lives with the presence of your glory.*

If God wants to get hold of your heart, he needs to get hold of your money.

## QUESTIONS

1. What fears/anxieties do you experience in relation to money? How would this change if our faith increased?
2. Is there anything holding you back from giving financially to FTK?
3. Which of the seven transformations is most appealing to you? which is most challenging to you?
4. Take time to pray for each other: that God would break our financial bondage and make us people who are radically generous.
