

INCREASE THROUGH HUNGER

Sermon Series : The Increase

Speaker : Mike Tatlock

Date : August 19, 2018

1. What Feeds You Fills You

1 Cor 10:31; Mk 14:25; Rev 19:9; Lk 14:15; Gen 9:1-3; Mk 7:1;
Acts 2:46,47; Rev 3:20; Prov 6:30

2. Two ways you deal with hunger...satisfy it or suppress it

Ps 107:9; Jn 6:34,35; Mt 5:6

Appetite suppressants work by tricking your brain into believing that you are not hungry and that your stomach is full.

3. Spiritual hunger is when nothing satisfies us as being near God

Ps 42:1-2; 27:4-6 (TPT)

4. People can replace the presence of God with the principles of God

5. Hunger is created and hunger is cultivated

6. In the natural you get hungry by not eating. In the spiritual you get hungry by eating

1 Pt 2:2; Isa 55:1-3 1-5 (MSG)

7. What you feed grows...what you starve dies

Four Ways To Cultivate Daily Hunger:

- Prayer
- Portion (of Scripture)
- Praise
- Purpose

QUESTIONS

1. Why do you think so much happens over meals in Scripture? What's the significance of eating with people in your culture?
2. Are you hungry for God? How is that seen in your life? (Try rating your hunger for God on a scale from 1-10)
3. Which of the Four Ways to Cultivate Hunger is hardest for you? Which comes easiest? What is one thing you can do this week to take a step toward inviting a greater hunger for God?
