Questions:

- What are your fears? What are they preventing you from? Are they controlling you and leading you down other roads?
- There is so much ability in this room. What is getting in the way of your dispatch? Is your balance off?
- What Kind of foundation are you building in your home? Have you lost your voice in your own home? My battles kept me from having a voice in my own home.
- We live in a crazy world right now. How are you calling people forward instead of just out?
