

# JESUS: THE ART OF WALKING ON WATER

Sermon Series : Jesus  
Speaker : Mike Tatlock  
Date : October 15, 2017  
Matthew 14:22-36

Matt 14:22-36

## **Storms come through obedience and through consequence**

Sometimes He calms the storm, other times He invites you to walk on them.

Hopelessness is a decision based on a distortion.

Ps 42:5  
Heb 6:17-19

## **In order to NAVIGATE at some point you have to ACTIVATE**

Courage is spelled R-I-S-K

Peter didn't want the "walking on water," he wanted JESUS! He wasn't looking to have a miracle experience, He simple wanted to come to Him.

When our eyes fail us we need to depend on our hearing...  
Hearing from the Lord can open our eyes to the Lord.  
Hunger and humility create an atmosphere of supernatural.

**When curiosity is greater than control it will often lead to communion.**

## QUESTIONS

1. What is the difference between storm experienced through obedience and a storm experienced as a consequence.
2. What storm are you currently (or have you most recently been) facing? What does "walking on water" look like in this situation?
3. In what aspect of you life are you most in need of HOPE?
