

## NEW BREAD

Sermon Series : New  
Speaker : Mike Tatlock  
Date : January 19, 2020

"They triumphed over him by the blood of the Lamb  
and by the word of their testimony"  
(Rev 12:11)

[Mike declared a fast to petition God to move in the lending process]

More enslaving than our occupations are our preoccupations.  
We become too preoccupied by outcomes

Job 42:2-6 (see NIV and MSG; Eph 1:3)

It's possible to have a hearing faith, but not a seeing faith

Limiting our focus to an outcome can keep us from recognizing the income of our inheritance as son's and daughter's.

A poverty mindset says God is withholding from me in my time of need. An abundance mindset says I have access to all of heavens abundance in my time of need.

Rev 12:11; 19:10

[TESTIMONY: Bob & Ann Christler]

## QUESTIONS

1. What did you connect with from the Christler's testimony?
2. In what ways do you find yourself "obscuring God's plans" (Job 42:3)—whether during hardship, or in normal everyday life?
3. Job 42:5 says "My ears had heard of you but now my eyes have seen you". Share a testimony (from your own life) where your faith moved from *hearing about* God to *seeing Him* show up and proving His message in a more profound way.
4. Take time to pray together:
  - for God's healing in the Christler's
  - for the testimonies shared in your Group
  - for Grace Chapel to match with a lender and finances to be released.
