2023

MEMBER MEETING

Welcome to our fall Member Meeting.

What an amazing year this has been for our church and for the Kingdom of Jesus! We have seen so many incredible things happen in, through, and around Christ Community Chapel.

One of the privileges of being on staff is that I get to hear constantly about all the ways that God is moving. From seeing people make a decision to follow Jesus to seeing disciples turn into leaders, God is doing so many wonderful things.

My hope for this meeting is that you get a small glimpse of what I see every day. We are going to share a lot of numbers with you because we want you to get overwhelmed by the sheer volume of God's grace in our midst. Of course, I also want us to remember that behind each number is a person made in the image of God with an incredible story that matters.

You are a part of what God is doing here. Without your service, giving, prayers, and support, none of this is possible. Thank you for being such an amazing group of people!

Join me here today in celebrating the faithfulness of God and getting excited about what is yet to come!

EVERY COMMUNITY

EVERY COMMUNITY

We believe that local, neighborhood-based churches are the most effective way to impact a community in the name of Jesus. That is why we plan to plant 60 gospel-preaching churches throughout Northeast Ohio by 2050. We hope you are encouraged by the updates on the churches that have already launched and join us in prayerfully looking ahead at our next church plant!

REVOLUTION CHURCH (BEACHWOOD)

Revolution Church, pastored by John Twymon, is continuing to hold regular Sunday services and For Days (monthly service days). This summer, Revolution Church held weekly pop-up parties to serve the community, and our High School and Middle School ministries got to partner with them. Praise God for his faithfulness to Revolution Church and the lives this ministry touches.

Please continue to pray for Pastor John and Revolution Church as they are still looking for a permanent meeting location. For more details and updates, please visit revolutionchurchcle.com.

CLEARVIEW COMMUNITY CHURCH (EUCLID)

ClearView Community Church, pastored by Lentrail Abston, began holding weekly preview worship services on Aug. 13. We praise God that ClearView Community Church officially launched earlier this month! They found a launch location at Mig's Pla-Mor Roller Rink in downtown Euclid.

Please continue to pray for Pastor Lentrail and ClearView Community Church as they continue to build their launch team, which currently consists of 17 people. For more details and updates, please visit clearview.family.

THE VILLAGE CHURCH (GARFIELD HEIGHTS)

We're excited about our newest church plant, The Village Church, pastored by Mario Hauser! They have officially moved into the Missionary Phase and are working hard to research and reach Garfield Heights.

The Village Church currently holds regular small groups and worship services on Thursday nights (Tribe Nights). They have begun building the launch team and are looking forward to a new worship leader joining the team. They are also making connections in the community, such as meeting the mayor and connecting with the organization Boys Hope Girls Hope.

Please continue to pray as they explore launch locations in Garfield Heights!

EVERYWHERE

EVERYWHERE

CCC aims to give \$30 million to global missions over the next 30 years. We desire to contribute to a Jesus-centered witness everywhere around the world. Since 2021, we have given **over \$2 million** toward this goal. Here are some exciting updates as we continue to strive toward this goal.

ROME AND THE HOPERA CHURCH

CCC members and a small group from Door 2 Art Studio took a mission trip to Rome this past June. It was wildly successful in continuing to equip, train, and partner with the Hopera Church. The missions team hosted artistic events and activities to foster relationships between the local community and church. God is on the move in Rome, and the team was so privileged and blessed to have been an encouragement to so many. We are excited for next year!

TOGO, WEST AFRICA // DEVELOPING AFRICA TOGETHER

Elder Emmanuel Agbovi and mission trip participants visited a few churches in Togo, West Africa, this past July. One of these churches received help from CCC for the construction of their church building. They stopped in villages where schools have recently been built by Developing Africa Together and now churches are being planted. Praise God! We're so grateful for our Sewing Ministry at CCC, which made sanitary napkins, diapers, and baby blankets that were given to many. Elder Emmanuel Agbovi met with 20 local pastors for a mini-conference and did a study on leadership qualities in the church.

BIRDSONG UPDATE

Birdsong is soaring in the city of Hudson! The community is engaging with it in many ways. The Birdsong page on the Door 2 website has been viewed from 3,000 unique devices. 98% of these visits have been from people who had not previously been a contact of Door 2. Door 2 artists were featured in two gallery shows connected to Birdsong at Western Reserve Academy and Peg's Foundation.

The Door 2 team will also be providing a Birdsong coloring page (picture to the left) at the Hudson Merchant Trick or Treat event. The page tells the story of Birdsong.

One day a curly haired girl had an idea. What if we made flocks of colorful birds and put them in the trees? Oh, what a beautiful Birdsong that would be!

So they did! The girl and her friends created birds of every color. Some birds were blue. Some birds were red. Some birds had flowers. Some birds even had words.

Then the friends made a giant sparkly bird and named her Melody.

Melody and her little bird friends remind us that birds sing different songs and sound beautiful together. They help us think about the words we say. Let's make beautiful words and spread hope and joy to everyone!

THURSDAY NIGHT SERVICE

We officially launched our Thursday night service, and it has been amazing! If you can't make it on Sundays, please join us for service on Thursdays at 6:45 p.m. This service is like Sunday mornings, just on a different day!

We're excited about this addition because it helps us reach more people and offer an alternative to those who may not be able to come to services on a Sunday morning. Offering a Thursday night service also helps further our mission of reaching non-Christians. Invite your friends, neighbors, and family to service on **Thursdays at 6:45 p.m.**

MEN'S SUMMIT // FEB. 2&3

Every man wants to live a fulfilling life and leave a legacy. But there are things along the way that can throw us off course. Faith is questioned, friendships fall apart, marriages crumble, health spirals, and more. It takes resiliency to weather these storms. What will you do to prepare?

The Men's Summit is a two-day event meant to help the men of CCC get involved, get a plan, and get connected so they are equipped to live their lives with integrity. There will be great food and fun, engaging teaching and breakout sessions, and clear steps to take action in your life and grow.

This event is for men ages 18+. Registration is coming soon.
