We are excited to share that July's giving exceeded our expenses by \$24,359 almost completely erasing the deficit we have had since February. We are now just \$1,657 behind for the year. This is almost exactly where we were last year at this time. We are very thankful for this generous outpouring of support for the mission of SLC to connect people to Christ through Word and Sacrament. However, it is important to note that our giving in July included a couple of large gifts. There were also five Sundays in July and that also helped. We pray that we can now stay consistent in meeting our ministry commitments as we transition into the 3rd and 4th quarters of our fiscal year.
