CKSD 2024 Golden Acorn Award

We celebrate with Tom and Marilyn Hawks as recipients of the Central Kitsap School District 2024 Golden Acorn Award for their outstanding volunteer service at Esquire Hills Elementary School. Marilyn and Tom's passion for providing STEM enrichment led to their development of after school robotics and rocket clubs. They led a team creating STEM projects for the fall Kid Academy sessions. Each week they transport all of the food backpacks for EH students from CK Food Backpacks 4 Kids, providing weekend meals for students and their families in need. Their presence has been visible in so many ways throughout the year. Tom & Marilyn's enthusiasm for making a difference at Esquire Hills has significantly strengthened SLC's community partnership with the school. **Congratulations! Thanks for doing God's work with our community's children!**

SLC's New Little Free Library

We are excited to announce that SLC now has a Little Free Library on campus! We are blessing our community by providing 24/7 access to books for toddler through elementary age children. Any child can stop by and choose a book to take home and read. *The books are a gift and are not to be returned.* Also, there is no need to replace that book with another. What a blessing to families who come onto our campus for a variety of reasons (preschool, scouts, events) and to our surrounding neighborhood!! *Educational research continues to show that books in the home are a key to building reading skills and to preventing summer reading loss.*

SLC will be listed on the "Little Free Library" website, so folks will know where to find us. Free bookmarks within the library will provide a welcome and information on what's happening at SLC. The library is located on the right side of the Gathering Place. *A very special thank you to our SLC Scouts, JJ and Landon Story, for building and installing the library. The Little Free Library was funded by a Thrivent Action Team Grant and the Community Outreach Equity Fund.*

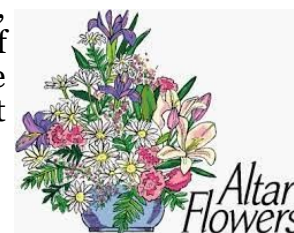

A great big THANK YOU to Mary Lou Dahl, who for over 40 years has graciously purchased and prepared a bouquet of flowers for Sunday Worship, and then has taken the flowers from the folks who donate Sunday Flowers to our homebound folks...typically this is done on the day after worship (Mondays).

Deb Marsch and our Visual Arts team are now taking care of the Altar Flowers.

Sign up as you normally do, on the kiosk in Fellowship Hall. When you are ready, contact Deb Marsch at (360) 981-4804 or email imdabee@gmail.com - let her know if you will be having the church arrange the flowers or if you will be providing the flowers. A reminder email will be sent with full instructions as well as payment options about 2 weeks before the month you are providing altar flowers.
