**Week 3: BrandNew Way of Life**

**BRANDNEW WAY OF LIFE**

# **JESUS CREATES A NEW LIFE IN OUR NEW START.**

**EPHESIANS 4:17-32**

**But that is not the way you learned Chris! - assuming that you heard about him and were taught in him, as the truth is in Jesus, to put off your old self, which belongs to your former manner of life and is corrupt through deceitful desires, and to be renewed in the spirit of your minds, and to put on the new self, created after the likeness of God in true righteousness and holiness.**

# **BrandNew means a new way of life.....**

There are some things that just shake you to your core. When you see them, learn about them, or experience them we never look at the world the same.

The best example of this for people alive in the 90s was the iconic image of a turtle stuck in a soda ring top. Sodas that come connected by a six ring plastic holder were everywhere in the 90s. They were on soda and beer and so much more. People would take the soda out when they got home and toss the plastic holder into the trash.

In the late 90s a picture emerged of a turtle. This turtle had gotten itself stuck in one of those rings and over the years it grew larger but its growth was hindered by this ring. Instead of being round like turtles normally are, this turtle was shaped like an "8" because the ring had restricted its growth.

From the moment that picture came out a cultural shift happened. People all over the world were aware and began cutting the rings of those holders to make sure this would never happen again.

We talked the last two weeks about the new life we have in Jesus. How Jesus shows up to bring us a real BrandNew start in Him. Its a start that is different from another resolution or goal. Its a new start that changes everything about us. Its a new start that makes us live a completely different life.

Today we'll be talking about what it looks like to live in this new life and how this life is dramatically different from the life of self discipline and restraint we see in the world around us.

# Sermon Notes:

We know Jesus has given us a new life, but how is this life different? What does it actually look like to live this new life and how do we do that? Today we'll talk through this.

Ephesians 4:17-32

We must abandon our old life (17-19)

We've learned a new way in Christ (20-24)

We embrace a new life (25-32)

**May you abandon the old to embrace the new.**
