1. What's one of your favorite smells and why?
2. Take a minute to summarize with your group the main point of the message from Sunday and/or briefly share what stood out to you the most.
3. What are some positive things about volunteering in general? What are some struggles connected to volunteering in general? (this is not asked with a focus on Life Church, but rather a broader idea of volunteering in general)
4. Tell us about a time you did something that intimidated you but was worth it.
5. When it comes to volunteering (at church or elsewhere) what would you like the organization to know about a volunteer's experience?
