Thank you is not enough to express our gratitude for the outpouring of prayers and love shown to our family during the time Daddy was in the hospital and hospice last week. The food provided over the weekend and the day of the funeral gave us time to visit with our family and friends. Thank you for all the times you helped Daddy in and out of the car, for the time you took to talk to him and for helping us look out for him. He loved you all. We have a wonderful church family and community. We have peace knowing he is where he has longed to be for a long time. We love you all more than we can put into words!
