Fostering Angels LLC was formed to establish a support system for foster children and foster families. Foster parents take on such a financial responsibility when taking care of their angels, we want to provide support by providing needed items such as clothing, toiletries, diapers, school supplies, toys, beddings, etc. at no cost to the parents to help eliminate some of the financial burden for them. Fostering Angels has no paid employees and operates on strictly a volunteer basis currently. The only income stream we have short of small fundraisers is through community support/donations.

We include grandparents who take in their grandchildren to keep them from going into the foster care system. We try to consider all the children affected depending on the individual circumstances as we know these can change and can vary greatly.

If God leads you to support us, monetary support can be sent to Fostering Angels LLC, P. O. Box 425, Elba, AL 36323.
