Worship is ascribing ultimate worth to something or someone.

Worship is something we all do.

Worship involves the whole person.

We can worship God with every aspect of who we are and what we do.

Worship involves remembering.

Singing helps us remember who God is and what He has done.

Remembering involves keeping what God has done for us personally at the front of our minds.

Worship involves thanks.

We value everything for which we are thankful.

Maintaining thankfulness is a great way to worship.
