

Hold On | Revelation 3:7-13

Pastor Bryan Walmer

June 7, 2026

We can hold on to Jesus because...

He has opened the door.

Jesus is the only name by which we can be saved.

Baptism is a way to keep Jesus' word and not deny His name.

He will reveal the true verdict.

Jesus will reveal who He loves.

Until then, when criticism comes, we should ask, "Is this something I need to repent of?"

He will keep His people.

The promise of this text is that Jesus will see us through.

We can stop asking "What if...?" and start saying "Even if..."

He is preparing an unshakable future.

Jesus will give us a permanent place in His kingdom.

Jesus will claim us as His forever.
