HOW GOD USES
BROKEN PEOPLE

When Darkness Seems to Hide His Face

GENESIS 50:15-21

We can be sources of life when brokenness comes from the hands of others.

We often experience brokenness and sin from other people that we did not cause. This can come in unexpected ways like:

Those closest to us - even though they should know better.

When we have done everything right - doing things the right way does not guarantee anything.

When we are at our lowest - life has a way of kicking us while we are down.

Three ways to navigate brokenness at the hands of others:

Refuse vengeance.

Remain faithful to God.

Remember God's faithfulness.
