The meaning of “amen”

Literally = “So let it be”

Amen is saying “This is true, I agree, Yes”

You cannot have God’s promises without Jesus.

All of God’s promises are wrapped up in Jesus.

Look to Jesus to know His promises are true.

Turn away from false narratives.

So, give your amen to Him.

We are being established in Jesus by God.

We need to be growing in saying yes to Jesus.
