MEANS TO BE A  
CHRISTIAN

## Victory, Thy Name Is Jesus

1 John 3:4-10

Jesus conquered sin so we can live free.

### 1) Sin won the battle.

All of us have lost the battle with sin.

There is no neutral ground when it comes to humans and God.

### 2) Jesus won the war with sin.

Jesus came to fight the war against sin and death and win.

Jesus could do what he did because He is who He is.

### 3) The results of Jesus' victory:

Jesus gives us someone to turn to with our sin.

Jesus gives us victory over our sin.

Christian freedom means being freed from sin to live for Jesus.

### 4) The challenge of Jesus' victory:

Receiving Jesus' victory will result in some sort of change.

We can always walk in that victory more fully than we are right now.
