What first comes to mind when you think of a word can tell you a lot...What is the church?

Who we are:

A “church” is a called-out group of people, not a building.

We are a family.

We are a set apart people identified with Jesus.

Whose we are:

We belong to Jesus.

We belong to a church; a church does not belong to us.

Why we are:

We exist to proclaim the praises of Jesus.

All that we do is a means to this end.
