GOD'S INVITATION TO
DRAW NEAR

Always Before the Lord | Leviticus 24:1-4, 10-13

Pastor Bryan Walmer

August 9, 2026

We are always before the Lord.

Always before the Lord in our service

God is constantly with his people.

The mundane matters.

Always before the Lord in our speech

None of us have honored God's name the way we should.

We should be considerate of how we speak in relation to God and others.

Always before the Lord in our justice

Eye for an eye is a limitation of justice, not permission for revenge.

How we treat people is how we treat God.

Will we live like we are always before the Lord?
