We accomplish the mission of making disciples by helping people grow in their relationship with Jesus. (Matthew 28:16-20)

Disciples of Jesus are growing in their:

1) Knowledge of Jesus

We come to God to know Him on His terms.

Knowing more about who God is causes us to lean into Him more and more.

2) Devotion to Jesus

We should be growing in our willingness and practice when it comes to obedience.

Baptism is a step of obedience for disciples of Jesus.

3) Affection for Jesus

We should see our love and appreciation for Jesus increase.

Jesus' promise to always be with us should move us.
