Wisdom teaches us that law is not the enemy of freedom.

Wisdom is:

Needed

We all lack wisdom.

We need to ask Jesus for wisdom.

Granted

Jesus will give us wisdom if we ask.

Our God is a giving God.

Received

We are resistant to God's wisdom.

God gives us His word in our hearts.

Obedied

We must be doers of the Word, not just hearers.

Obedience leads to freedom, life, and blessing.
