

Who are we?

The Mission of New Creation

2 Corinthians 5:16-21

Setting a goal in life requires us to do things to accomplish it. The same is true for making disciples.

One requirement for making disciples is mission.

1) God is about new creation...

We regard people as Jesus does.

We are a new creation in Jesus.

2) ...through reconciliation...

God's plan to renew the world is accomplished through reconciling all things to Himself.

The response to this is to "Be reconciled to God!"

3) ...which roots our identity in mission.

We are ambassadors of God.

God makes His appeal through us to the world.
