HOW GOD USES  
BROKEN PEOPLE

## God's Way Is Better Than Our Way

God's way is better than our way.

Moses seems to be a hero, but he had his own brokenness and sin.

There are times where we do things our way as opposed to doing them God's way because we do not trust God.

Some reasons we may do this:

1. God's ways do not seem right to us
2. Anger/Frustration/disappointment

God can overcome all of our mess.

Doing things God's way requires:

1. Knowing what God says
2. Pursuing what God says
3. Owning when we mess up

Blame shifting is an enemy of life.
