The Fuel for the Fire: Becoming who we are made to be in Christ.

3 keys to being the church and Christians God has called us to be:

1. Radical community v 1

The church is a place of diversity.

The church is a radically welcoming place Acts 9:19-31

2. Uncomfortable Openhandedness vv 2-3

God calls us to hold certain things in life with open hands.

Openhandedness requires sacrifices that will be uncomfortable.

3. Constant Presence vv 2-3

We need to be steeped in the presence of God

Jesus cannot be an add on to our calendar
