

THREE KEYS TO BEING HEARD OF BY THE DEMONS

Acts 19:13-20

1. Take Jesus seriously v 17

We exist to serve Jesus' purposes, not the other way around

We need to call all things sin that Jesus has called sin

2. Confession v 18

Sin needs to be dragged into the light by calling it what it is

Confession is done with God and a community of faith

3. Repentance v 19

We don't stop at recognizing our sin, we turn away from it

Community is key in supporting this process

We are then free to live for Christ and impact the world for him v 20
