What made Paul so effective at continuing the work Jesus began?

1. Surrender to God's will. Acts 21-22

We need to be surrendered to whatever God has for us.

Jesus never promised us things would be easy. John 16:33

2. Stand against injustice. Acts 23

We should take a stand when something wrong and unjust happens.

We do not take that stand by slandering or raging.

3. Look for opportunity. Acts 24-25

There is opportunity in all circumstances.

We simply need look for where God is working and join him.

4. Share our story Acts 26

We all have a story to share.

An effective way to share the gospel is to share our story.
